

# JackEasy™ Termination Tool

## INSTALLATION INSTRUCTIONS

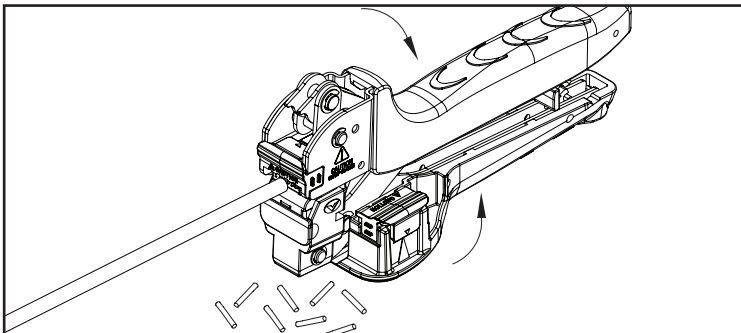

### Terminating EZ Modular Connectors

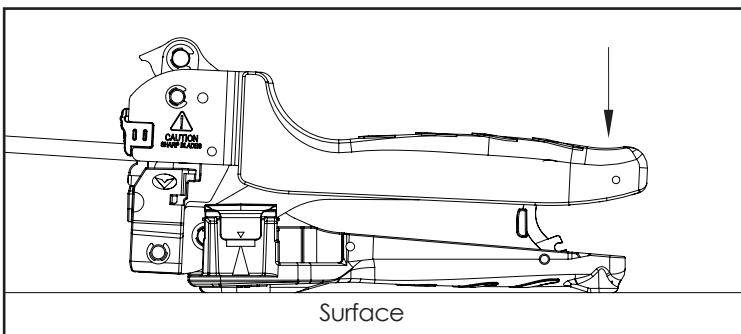

**Step 1.** Determine wiring scheme T568A or T568B.

**Step 2.** Insert the EZ module.

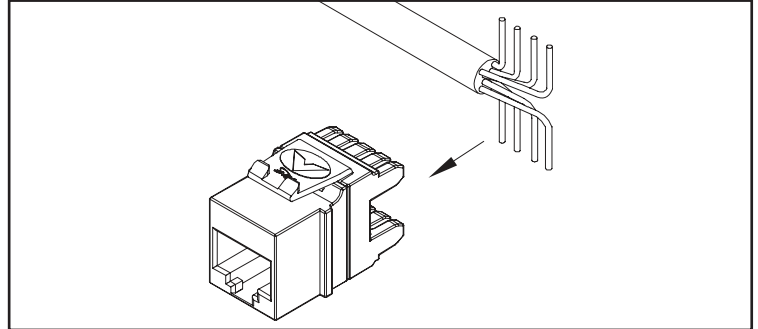

**Step 3.** Squeeze the handle and terminate.

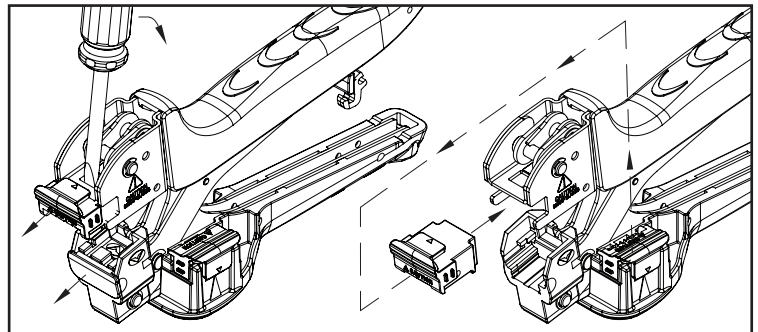

**Optional.** Terminate on the floor or flat surface.

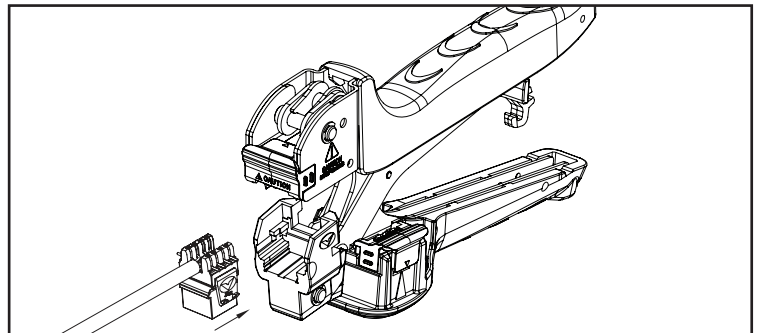

### Terminating HD Modular Connectors

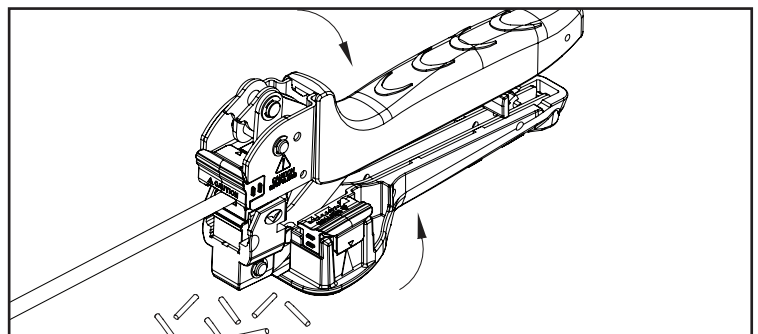

**Step 1.** Determine wiring scheme T568A or T568B.

**Step 2.** Use a flat-head screwdriver to remove the EZ blade and seat. Then replace with the HD blade.

**Step 3.** Insert the HD module.

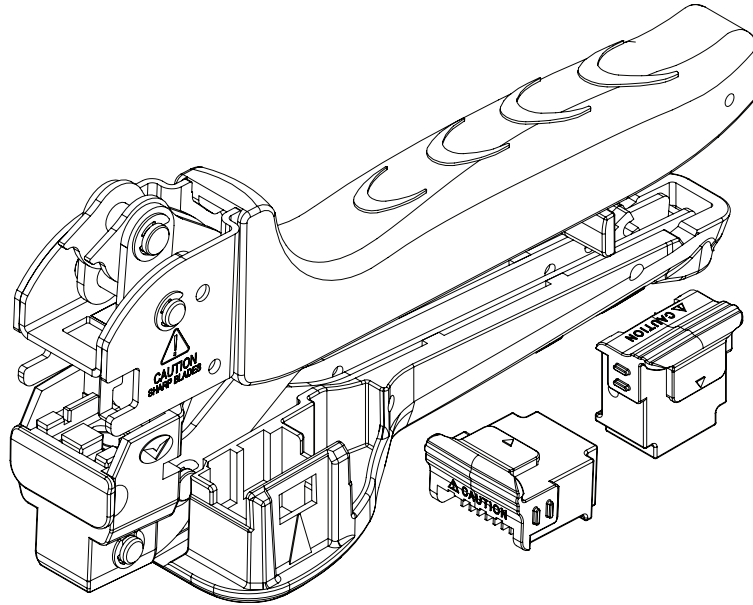

**Step 4.** Squeeze the handle and terminate.

# JackEasy™ Termination Tool

## INSTALLATION INSTRUCTIONS

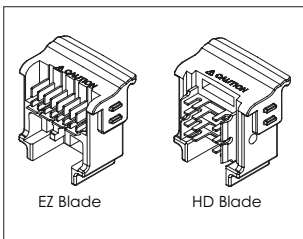

Item #	Description	Piece
ICACSPDTEH	JackEazy Tool	1
