

WINPC/SS20 Master Station Windows PC with 19.5" Screen (AlphaEntry™ Series)

NOTE: Image is for representational purposes only. The suppliers of these PCs do change the appearance and mounting stands regularly, so the unit you receive may not look exactly like the unit shown, but they are functionally the same.

Architects' And Engineers' Specifications

The Windows PC with 19.5" Screen Monitor(s) shall be Alpha Communications® AlphaEntry™ model WINPC/SS20, or approved equal. The WINPC/SS20 shall include Genuine Windows 8.1®/O/S with an Intel Celeron 2955U Processor. The WINPC/SS20 shall feature a 500GB 7200 RPM SATA hard drive, a built-in 720p HD webcam, 10/100/1000 Fast Ethernet connector, 4 USB ports, integrated audio with stereo speakers. The WINPC/SS20 shall include a USB keyboard and optical mouse and shall be finished in the standard Black color

Contractor shall observe all local and national electrical and building codes.

WINPC/SS20 Windows PC with 19.5" Screen Monitor

The Alpha Communications® WINPC/SS20 Windows PC with 19.5" screen Monitor is used primarily with the AlphaEntry™ software to act as a Concierge or Master Station for calling to and from remote communication devices, but can also be used for other system and software applications.

The WINPC/SS20 is an all-in-one desktop computer that fits both the tower and monitor into a stunning, space-saving design. Featuring a decor pleasing Black finish, the WINPC/SS20 will fit your equipment needs, budget and building decor.

A large 19.5" LCD screen and 16:9 aspect ratio make it ideal for displaying a large amount of data onscreen, and enabling the user to choose from keyboard or screen functionality.
