

## IP Pinhole Camera Adder

Shown with Standard **CPL1B**  
Series Call Station

### IP Pinhole Camera Adder

The Alpha Communications® **alphaBlueLight™** call stations and devices are used in a variety of applications and locations. Many times, it is important to see the person that places an emergency call, or the surrounding location.

The **ABLIPCAO** option easily adds this capability to a variety of the Alpha Communications® **alphaBlueLight™** call stations and devices, as well as **AlphaRefuge™** call stations and devices.

They must be ordered at the same time as the **alphaBlueLight™** and/or **AlphaRefuge™** call stations and devices.

### Features
