

Full HD 130° Backup Camera with 18 Infra-Red Illuminators

RVS-770-HD

This full HD commercial grade backup camera is the clearest and greatest camera available on the market today. It boasts a 410,000 pixel 2.5 mm lens with 18 infra-red illuminators which enable you to see in total darkness and a built in microphone which enables you to hear what is behind you. The backup camera is completely weatherproof with an IP69K rating, strong and reliable, shock resistant with a 20G vibration and 100G impact rating (highest in the industry) and comes with a full year warranty. This unique system is truly the future of safety technology. Note: The RVS-770-HD is only compatible with the RVS-770613-HD Full HD Backup Camera System.
