

MERCEDES SPRINTER

THIRD BRAKE LIGHT BACKUP CAMERA

RVS-816

The Mercedes Sprinter Third Brake Light Camera is complete with a 170° angle backup camera using a CMD lens with IR night vision and all the wires, connectors and mounts you will need. The camera fits into the brake light housing and is completely weatherproof with an IP68 rating, strong and reliable, shock resistant with a 10G vibration rating (highest in the industry) and comes with a full year warranty. This Mercedes Sprinter Backup Camera works on all new Sprinter bodies from 2007-2016.
