

# Tailgate Handle Backup Camera for GMC Sierra & Chevrolet Silverado (2007-2013)

RVS-T14

Custom tail gate designed to replace the stock tail gate handle of all 2007-2013 Chevrolet Silverado's and GMC Sierra pickup trucks. Equipped with 170° wide-angle super CMOS color camera, the camera is set inside the custom tail-gate handle. Features parking lines that you can turn on or off, that accurately judges the distance behind the vehicle. Integrate this camera with the existing touchscreen radio in your truck. Compatible with:

**Chevrolet Silverado 1500** (2007 – 2013)  
**Chevrolet Silverado 2500HD/3500HD** (2007 – 2014)

**GMC Sierra 1500** (2007 –2013)  
**GMC Sierra 2500HD/3500HD** (2007 – 2014)
