BTA-CT65-VP

LOCATE YOUR VEHICLE VIA FREE APP

With PinGo plugged into your car, it will automatically drop a pin to mark your vehicle's location on the app (PinGo) via built-in wireless technology once engine is turned off

NEVER FORGET YOUR PHONE AGAIN

PinGo also reminds you when your phone is not present in the car with you by beeping and blinking red light

WORKS AS A USB DC CHARGER

For any USB-powered electronics

Includes a USB port to conveniently charge your smart devices, GPS, and more with this compact yet powerful USB charger

PLEASE NOTE: ONLY COMPATIBLE WITH IPHONE DEVICES
