i² Plus™
Pre-loaded Mini Appliance

The i² Plus Pre-loaded Appliance Features:

- Ultra compact size, pre-loaded with
  *Doors.NET Standard Edition
  Access Control Software*

- Twice the memory and over five-times
  the storage of the basic i² Box –
  8GB RAM and 1TB SATA III Hard Drive

- Enough computing power, memory and
  storage to run Keri's entire suite of
  optional features

- No waiting for software to install, or dealing
  with initial Windows® updates and other
  system issues

- Saves installer time, money, and hassle

- Suitable for installations up to 256 readers
  and 10,000 cardholders

- Eliminates errors and variability found in customer-provided or off-the-shelf PCs

- Turn it on, select your hardware type, then start programming immediately

- Small, quiet, IT-friendly/ready package with 7th generation Intel processor

The **i² Plus** Appliance greatly simplifies installation because *Keri's Doors.NET Standard Edition Software* is pre-loaded and pre-licensed, ready to use immediately. The i² Plus is an embedded mini- appliance with keyboard and mouse that has the capability to manage an access control system of up to 256 readers and 10,000 cardholders. This unit, with 8GB RAM and 1TB SATA III hard drive, has twice the memory and over five-times the storage of our basic i² Box. Installers will appreciate the time and hassle it saves, because it virtually eliminates Windows® problems and other system issues commonly found when using a PC provided by the customer, or purchased from a retailer.

The **i² Plus** Appliance is configured with Doors.NET Standard Edition Application Server, Microsoft SQL Express® database, and selectable PXL-500, PXL-500/Entraguard, NXT, and Mercury Powered NXT Gateways that allow it to connect to any Keri controller type. Simply choose your hardware type and start configuring the system. The unit comes with rubber feet for horizontal placement, and a pedestal base for vertical placement.

Note: Windows and SQL Express are registered trademarks of the Microsoft Corporation in the United States and/or other countries.
