Features and Benefits:

- Designed with steel construction, white powder coated, lightweight and sturdy.
- Designed to serve as the central distribution point for voice, data, video, audio, and security services for smaller residential structured wiring systems.
- Allows for internal modules to be mounted horizontally or vertically facilitating easier layout and wiring of the system, while providing for optimum cable management.
- Integrated snap-in module system enables users to quickly insert or move the internal modules.
- Supports up to 6 ICCMSCMPR1 or ICCMSCMPR2 Cable Management Rings for organizing and routing cable.
- Includes 4 top, 3 bottom, 6 rear, and 4 side knockouts for routing cables and 4 cable tie points.
- Includes a knockout for an optional AC power outlet (not included) to provide power distribution.
- Fits between 16" wall studs with 10 internal module mounting spaces or can be wall mounted.
- Designed with a door latch and an optional door lock knockout.
- Hinged door and NET MEDIA CENTER insert are reversible for opening from left or right.
- Accommodates all of ICRESXXXX residential modules .
Used with optional accessories including ICRSDCAC2 distribution center rubber grommets,
- ICRESDCAC3 distribution center plastic grommets, and ICRSDC2LK distribution center door lock.
- UL listed.
