

UNI-RD7C

Clear dome capsule

Overview

Clear replacement capsule

The Sony UNIRD7C Clear Replacement Capsule is a spare part of the indoor/outdoor pendant and flush mount housings designed for the 7”Dome Outdoor Cameras. Made from clear polycarbonate, this lower dome ensures high transparency required for surveillance in low-light conditions.

Adaptable

7-inch Clear polycarbonate replacement lower dome for pendant and flush mount housings.

Features

Adaptable

7-inch Clear polycarbonate replacement lower dome for pendant and flush mount housings.
